

[Training your new Puppy/Dog? We HIGHLY RECOMMEND crate training](#)...by crate training you keep your dog/puppy safe, increase speed of housebreaking and avoid all your valuables from being chewed and/or destroyed. Click here to learn more about WHY you should crate train-Each crate comes complete with a dual latching door to safely secure pets. Folds for effortless storage or travel. Includes a slide-out floor tray and a removable divider panel. Assembly instructions included.

Our shelter has inexpensive puppy/dog starter kits and 100% of the purchase supports the shelter pets! All crates come with the important divider panel (many crates you can find at pet supply stores DO NOT include these panels). The panel allows you to purchase ONE crate for the entire life of the pet and you don't need to keep buying bigger crates as the pet grows. This saves A LOT of money!!!!
